Dear Parent/Diver

Coach's expenses at competitions

Occasionally, competitions that aren't local will be chaperoned i.e. Armada Cup, Plymouth. In this instance the costs for the coaches and chaperones need to be covered. The club makes a contribution for each coach and the remainder is split between the number of divers competing at that particular competition.

If the competition is still away from home, but isn't chaperoned, i.e. ASA Age Group Nationals in Southampton coaches' expenses still need to be split between the number of divers competing. Again the club makes a contribution. The expenses cover accommodation, travel and meals.

The club needs more chaperones. If any parent is interested they can contact me on 0114 2364874 or Jude Westray on 0114 2326571.

Kind Regards

Dawn Milton
