

## How would you like to have a chance to win the **Sheffield Diving Lotto Bingo** game whilst also doing your bit for a worthy cause?

The Sheffield Diving Fundraising committee set up the weekly Lotto Bingo draw in 2017, whereby you win CASH whilst also contributing to the clubs equipment fundraising efforts. ALL funds raised through the Lotto goes towards purchasing new equipment for our divers.

### How does it work?

- Each person picks 6 numbers from 1 – 59.
- If any of your numbers are one of the main 6 balls on the Saturday night draw then they are crossed off.
- The game can run on for several weeks until someone has had all their 6 numbers drawn out.
- When you match all 6 numbers from the **Saturday** night National Lottery you will win 75% of the overall lottery fund pot and 25% goes to the club's 1 metre board project.

### What could I win and how will I know?

Based on 50 people participating, if for example someone matched all 6 numbers after 10 weeks the total lottery pot would be £500. £375 would be given to the winner/s, £125 of this balance would go back to Sheffield Diving Club for club equipment and events.

So get those friends, family, neighbours joining, more that join bigger prizes!! Anyone is welcome to join!

Regular email updates will be sent to all participants, as it gets closer to people matching 5 numbers updates will be sent weekly.
